Overnight Operation OK!

Using the **TCA-9100**™ is extremely simple to operate. Hate reading manuals? Than the **TCA-9100**™ is what you've been looking for. The intelligent menu display will walk you through every step! It automatically detects the master type without any user knowledge of the standards (such as Red Book, Yellow Book etc). In addition, the compare mode allow the DVD's, CDs and images to be verified for complete data integrity assurance. It will also automatically sort good DVD's from bad DVD's, saving you both time and money.

Surprisingly Small!

Big things DO come in small packages! The **TCA-9100**™ comes standard with a 16x DVD-/+R recorder, 220 bin hopper, complete automation and much more! What's more is that you do not need a PC to operate it! Simply plug it in and you're ready to burn! Full DVD's can be burned within minutes, not hours, and smaller masters even faster. Upgrading your **TCA-9100**™ has never been easier! With every machine purchased from **R-Quest**™, you are guaranteed an upgrade path as long as you own it! Now that's solid technology!

Affordable. Reliable. Robust. All of these describe the **TCA-9100**™. Smooth robotics, fast recording speeds, and state-of-the-art technology make this the perfect duplication solution.

EXCEEDING EXPECTATIONS...IS R-QUEST™
