Network Upgradable

The future is here!

Welcome to the new age of duplication. **R-Quest™** is proud to introduce their innovative DVD/CD duplicator! With 220 disc capacity, six - 16x DVD+/-R burners, and a large internal hard drive, the **TCA-9600™** will surely exceed all of your duplicating needs. Need volume? Then look no further! The **TCA-9600™** can copy DVD+/-R discs all night long, all without the need for a PC or human interaction! Now THAT'S innovative and efficient!

Robust Duplicator

Short on space? Don't worry, the **TCA-9600™** was designed with space in mind. The amazingly small footprint combined with the quiet and smooth robotics makes the **TCA-9600™** perfect for the office environment. In addition, the optional network capabilities makes this one of the most robust office copiers available today!

Frame accurate copies. Ability to separate good DVD's from bad DVD's. Batch mode for multiple masters. Audio compilation for those custom discs. All of these features and more are standard on the **TCA-9600™**. As always, the **TCA-9600™** comes with the **R-Quest™** reputation for reliability!

Upgrade guaranteed! Worried about purchasing a product that is obsolete in 2 weeks? Then worry no more! All products purchased from **R-Quest™** are guaranteed an upgrade path for as long as you own it! Now that's solid technology!
