- Copies both DVD's and CD's

Absolute Freedom

Tired of having to load disc after disc and tying up a PC at the same time? Then here is your freedom to do other things!. R-Quest™ is proud to introduce their new, innovative, rotating disc hopper! With 550 disc capacity, six - 4x speed burners, and R-Quest's™ proprietary TrueCopy technology, the TCA-9650™ will surely exceed all of your duplicating needs. Need volume? Then look no further! The TCA-9650™ can continue to copy DVD's for days, all without the need for a PC or human interaction! Now THAT'S freedom!

Innovative Technology

Short on space? Don't worry, the TCA-9650™ was designed with space in mind. The amazingly small footprint combined with the quiet and smooth robotics makes the TCA-9650™ perfect for the office environment. In addition, the optional network capabilities makes this one of the most robust office copiers available today!

Frame accurate copies. Ability to separate good DVD's from bad DVD's. Batch mode for multiple masters. Audio compilation for those custom discs. All of these features and more are standard on the TCA-9650™. As always, the TCA-9650™ comes with the R-Quest™ reputation for reliability!

Upgrade guaranteed! Worried about purchasing a product that is obsolete in 2 weeks? Then worry no more! All products purchased from R-Quest™ are guaranteed an upgrade path for as long as you own it! Now that's solid technology!
