

Master Data Integrity Waiver

By completing and returning this document, I (undersigned) agree to the following terms and conditions:

1) I am requesting that CD Solutions Inc prepare a master disc (CD, DVD, USB, SD, or otherwise) per my instructions. This includes FTP download, shared drive such as Google Drive or Dropbox, or other similar service, conversions from other media formats such as RW or other). I am not supplying an actual master to be used for duplication/replication.

2) Due to time constraints or for cost reasons, I am declining to approve the master disc prepared by CD Solutions Inc prior to production.

3) I am fully aware and understand that circumstances beyond CD Solutions Inc's control could affect the data integrity of my data. This includes changes or errors that may result in undesired performance or data loss as well as corruption during transmission over the Internet.

4) I will not hold CD Solutions Inc. liable for any consequence or loss incurred as a result of incomplete or incorrect data.

5) I understand that no discount or Return of Merchandise Authorization will be given based on incomplete or incorrect data.
