

If one of the following software packages are used on a customer's source, these packages require distribution agreements (even if they are used on a free basis) to be filed with the vendor. CD Solutions, Inc. must receive acknowledgement of any of the appropriate distribution agreements before we can approve of replication.

Microsoft Internet Explorer <http://www.microsoft.com/windows/ieak/en/licensing>
Netscape Navigator <http://home.netscape.com/partners/distribution>
Apple Quicktime <http://developer.apple.com/mkt/registering/sw/>
