Directions: From I-75 take the SR55 exit (exit 73). From the top of the exit ramp turn east (towards Troy).

Turn left at the second road (SR 718, also called Arthur). This becomes Monument Street when it enters Pleasant Hill.

Stay on Monument Street until you see the monument (you won't miss it!). Go straight past the monument to the first cross road (Church Street). We are on the corner of Monument and Church Streets.
