

R-Quest Technologies, LLC Limited 1 Year Warranty

FlashJet 4800 Warranty

R-Quest Technologies, LLC (“*R-Quest*”) warrants to the original end user that the non consumable parts of equipment purchased will be free from defects in material and workmanship for a period of one year from the date of original purchase. Any part replaced under warranty is warranted to be free from defects in material and workmanship until the expiration of the original warranty.

Heavy use may require the FlashJet 4800 to be serviced within the warranty period, and such servicing is not covered under this warranty.

This warranty does not cover faults that arise from misuse, negligence, accidents or normal wear and tear. Removing the *R-Quest* label or serial number from the product will void the warranty.

All warranty work should be carried out by an authorized *R-Quest* distributor/service center or returned to the *R-Quest* factory. Parts used for warranty repairs may be new or at *R-Quest*'s sole discretion refurbished. Work carried out by a non-authorized person may void the warranty.

Servicing

Servicing is required every 25,000 discs, or 100 cartridge changes, whichever occurs first. This service includes print head replacement and is chargeable as part of the required maintenance schedule, and is not free under the terms of the warranty. The cost of this service may vary from country to country. Parts replaced in the course of a service are warranted to be free of defects in material and workmanship for a period of ninety (90) days, or until the expiration of the original warranty (whichever is the later), and are subject to the same service interval requirements.

Cartridge Use

Use only genuine HP 56, 57 & 58 cartridges in the FlashJet 4800. Using, or attempting to use cartridge refills or attempting to ‘bulk ink’ the FlashJet 4800 will void this warranty.
